

## *Bash 2023*

We opened up our 2023-2024 school year by taking our Back to school Bash on the road. For the first time the Bash was not at our school location. We set up in the pavilion at the brand NEW Wick Park water park in Mill Creek Park. With all staff members on hand, we were able to show off some of our own new additions, our DDJ Drones & gym equipment.

## *Inaugural Flag Football*

Our Stingers took to the grass this fall with our Inaugural Flag football season. A total of 33 students showed interest in playing in a league. Mr. Brown reached out to the Youngstown leagues for an open spot, however all leagues were filled. So our Stingers stayed after school 2 days a week to learn the game by running patterns. They ended each practice with an intersquad team scrimmage.

With the addition of over 50 new students this year, we knew we had to go big with our House Roll Out. We brought in on-air personality B-Willy from LOUD 102.3 to assist our Dj Squad. Isibindi won our first cheer off of the year and with the Youngstown Fire Department was able to lead the house parade.

South Side Academy is clearly living up to their hashtags #4Houses1Hive & #Team2Much

## Stinger Ambassadors

Anytime a Community guest or potential new enrollment stops by South Side Academy, they are greeted by one of our Stinger Ambassadors. These particular students are some of our best. To be picked for this high honor they go through a interview process. They also must keep up a set of guidelines that includes being a leader inside the classroom, good behavior, & a 2.5 GPA.

Congratulations to this years Ambassadors:
